

SWOG STRIKE TIES UP STEEL IN 5 STATES

ITALY ACCUSED BY SPANIARDS OF AIDING WAR

Spanish "White Book" Condemns Italian Violation of League Compact.

CAPTURED FROM SOLDIER

"Most Scandalous Violation" of International Principles Is Alleged.

GENEVA, May 27.—The Spanish government today accused Italy of the most scandalous violation of international principles since the World War in a League of Nations "white book" intended to show the fascist state as a "truly despotic power" in violation of the League compact.

The "white book" is a compilation of documents, one of them purporting to be a "secret" and "unauthorized" order from the Italian war office to the corps commander of the general staff. The documents allegedly were captured from Italian soldiers fighting on the side of the Germans in Spain.

The "white book" published today, which Italy was guilty of "the most scandalous violation of international principles since the World War," which are the basis of any justly organized international community.

It states Italy, behaving in a manner indicated by the documents reproduced in the "white book," Italy has helped to prolong the war in Spain; has violated articles of the League compact and has acted as a truly belligerent power.

Article 10 of the League of Nations compact says: "The members of the League undertake to respect and preserve against external aggression the territorial integrity and existing political independence of all members of the League."

JERSEY MAN FAVORED BY PRESBYTERIANS

New Jersey Pastor Is Likely Choice To Be General Assembly Moderator.

COLUMBUS, O., May 27.—The Presbyterian office in the United States of America today announced that the assembly, which will meet today to go to Dr. William Hiram Foster of Newark, N. J., as the high assembly convened today.

Friends of Dr. Foster, pastor of First Church in Newark and a member of the Presbyterian board of foreign missions, declared he was almost certain to be elected.

Opposing Dr. Foster for moderator is Dr. Henry H. Macpherson of Philadelphia, who is Dr. James A. Hays, president of Western Theological Seminary at Dayton, and Dr. S. Willis McKelvey, pastor of Second Church in Kansas City, Mo.

Dr. McKelvey said he did not want to be elected, but he apparently could not withdraw because numerous friends insisted that he run in the contest.

For one year, Dr. Foster has been with the chairmanship of the Presbyterian general council, which is the highest body of the church, which will take on the issues, the assembly seems to be undisturbed by an major controversy such as that between the modernists and fundamentalists last year. A fundamental group broke away and formed the Presbyterian Church in America. The Presbyterian church in S. A. sued to prevent the use of the name and the litigation still is pending.

TRIO FROM MARION TO GET DIPLOMAS

Commencement Exercises Scheduled for June 6.

ATHENS, O., May 27.—Three Marion students, seniors at Ohio University here, will graduate from the institution at the annual exercises to be held June 6.

Factor of science degrees in commerce will go to Warren Eugene Olson, 127 Dix avenue, and William Henry Pohler, 230 Leffner street, while Helen Elizabeth Wood, 334 South State street, will receive her bachelor of science in home economics.

ROCKEFELLER BURIED IN CLEVELAND

Visitors from as far away as California gathered at the Rockefeller family cemetery plot in Cleveland today where John D. Rockefeller, Sr., 87-year-old retired industrialist who died at Ormond Beach, Fla., is to be buried. Shown here at the base of the 60-foot monument are the graves of Rockefeller's wife and mother, beside which he will lie.

BRITISH PRESS HITS CHURCH

HARSH TREATMENT OF DUKE ATTACKED

English Newspaper Voices Defense of Abdicated Monarch.

LONDON, May 27.—The powerful Revereber Press sharply criticized the Church of England today for what it termed a too harsh treatment of the Duke of Windsor and Mrs. Wallis Warfield.

Rallying to the defense of Britain's abdicated monarch, the Daily Express, flatly blamed leaders of the church for inspiring virtual governmental ostracism of his wedding to the woman for whom he gave up the throne.

The published list of those invited to attend the ceremony June 3 at the chateau de Candé was considered remarkable for its many omissions—reportedly under government pressure—and the Express summed up all column editorial with this question:

"If it is possible that the duke is being treated with rather too much of a rough edge?"

The Daily Express is the chief organ of the press controlled by Lord Beaverbrook and publishes simultaneous editions in London, Manchester and Glasgow with a circulation of more than 2,000,000.

The paper claimed that the duke's wedding day approached "a series of penalties and prohibitions" laid against him and against those who desire to show him friendship and affection.

"Duke Breaks No Laws," referring to this "outrageous" form of ostracism, the Daily Express pointed out that, although it might be claimed the duke had been unwise in his decision to live up the throne if Mrs. Warfield could not be his queen, he had not broken the law in any country nor had he damaged the country's constitution.

"If it is done in order to inflict punishment on Mrs. Warfield," the paper declared, "it must be pointed out that she has not transgressed the laws of the country."

"Mrs. Warfield," by a decree of the British courts of justice, is fully free to marry and of course is entitled to do so.

The article placed the blame for the present situation squarely on the church's "views (on divorce) are at variance with the law." Mrs. Warfield has been twice divorced.

"The law," said the newspaper, "entitles her to all the facilities to that end. 'Churchmen' are entitled to their own opinions about that law but they are not entitled to use any form of state pressure to impose them."

FINED A FIVER FOR "SPEEDING" AT 20 PER HOUR

Because he drove in car 20 miles an hour on Marion streets, William Long was fined \$5 on May 20, 1937, for exceeding the speed limit of eight miles per hour.

RICHWOOD RESIDENT IN LOCAL HOSPITAL

Pierce Suffering from Injuries Received in Auto Crash.

HARVEY PIERCE, 36-year-old Richwood resident, was in the Marion City Hospital today, suffering from a fractured femur, shock and loss of blood.

Pierce's car left the road on Route 47 road this morning about 1:30 and crashed against a tree. He lay in a ditch until 5:00, this morning when he was picked up by a passerby.

He was brought to the City Hospital this morning in an ambulance. No reason could be found for the mysterious accident.

Pierce is the son of Mr. and Mrs. Pearl Pierce of Richwood. He is unmarried.

BOYS OF '67 FOUGHT FIRES BY HAND, DRESSED IN RED

By HARRY MINER

Marion's fire-fighters of old dressed in red flannel shirts, silver lace, and black velvet.

The seventy-five boys—volunteer members—pulled the hose and engine by hand, worked the fire hose, took command and won a dollar for prompt service. The next arrival earned seventy-five cents. The third fireman was allotted fifty cents.

All that was according to the Constitution and By-Laws of the Neptunes' Fire Engine and Hose Company No. 1, dated 1887.

In the period just after the Civil war six cylinders furnished water that had to be hand pumped to fight fires. After a fire the cylinders had to be refilled by cans of water hand pumped from Goose Creek. Today 606 hydrants furnish a continuous water supply for fires in any part of the city.

The fire hose was leather. Oil lanterns illuminated the engine and pump apparatus. No searchlights existed to aid the fire-fighters in their treacherous night work.

LABOR FIGHTS AT FORD PLANT AROUSE UAWA

Union Files Charges Against Company With National Labor Board.

REPORT SENT TO MURPHY

Action Follows Fistic Encounter of Organizers at Gate of Rouge Plant.

DETROIT, May 27.—The United Automobile Workers of America said today it intends to prosecute "in every possible way" those responsible for the beating of two union organizers and 15 other persons at the gates of the Ford Motor company's Rouge plant.

Within a short time after the fist fight, which took place in suburban Dearborn yesterday afternoon, the union's attorneys, Maurice Sugar, filed charges against the company with the National Labor Relations Board.

Reports on the "skirmish" were transmitted by the U. A. W. A. to Gov. Frank Murphy and to Senator La Follette's civil liberties committee, which had investigators on the scene. The Michigan legislature received proposals for an investigation and to "censure" the Ford company.

The management of the plant, described as the largest single industrial unit in the world, said it operated without interruption during the disturbance. The company's factory, because of labor troubles, was closed for the Ford Motor company, said the allegations placed before the N. R. L. B. with interfering with training and coercing employees in the exercise of their rights guaranteed to them by the National Labor Relations Act, to have the privilege of organizing, joining, joining and leaving labor organizations and to bargain collectively through representatives of their own choosing and to engage in concerted activities for the purpose of collective bargaining or other mutual aid or protection.

CARHART TO REQUEST WATER RATE REPORT

Action To Speed Preliminaries of Renewal Hearing Before Commission.

CITY SOLICITOR RALPH E. CARHART today prepared to ask the state utility commission for permission to obtain the rough working notes of the commission's engineers who are in the midst of a study of the Marion water rate controversy.

This move will enable the city to get an earlier start on a study of the engineers' findings in preparation for renewal of the city water rate hearing before the commission in Columbus on June 8 than if the collector waited for the finished report.

Carhart decided to ask for the engineers' working notes after L. F. Dabbs, chief engineer, for the commission in water, gas and electric cases, said he and his assistants will have to work day and night in order to prepare their material in time for renewal of the hearing.

Without an opportunity to study the report, Carhart's commission engineers before the hearing, he estimated the city would have no opportunity to prepare its side of the case, Carhart pointed out.

Since both the city and the water company attorneys have expressed a desire to study the report of the commission's engineers before the rate hearing is resumed, it was considered likely that the commission will postpone the June 8 hearing to grant time for their studies.

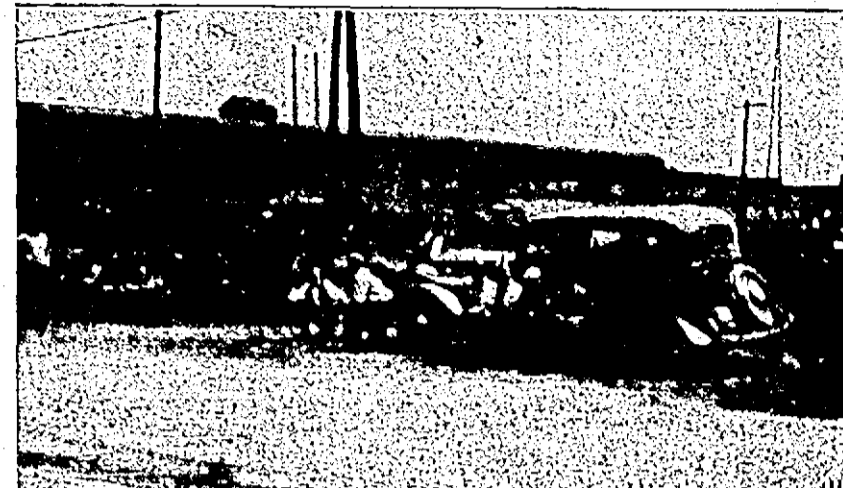

The June 8 date had been set by the Marion water rate hearing on May 13 after listening to testimony of water company witnesses and E. W. Wood, Marion, certified public accountant and chief witness for the city, who testified that the city's water rate was excessive.

Mr. Dabbs said he and the other commission representatives probably would wind up their field work in Marion late this week or early next week but that several days of work in the office at Columbus will be required to get their material in form for submission to the commission.

The commission ordered the study made after learning the city had not obtained an appraisal of the Marion Water Co. property for use in the rate controversy now before the commission. Rather than accept the unchallenged figures of the company, the commission explained it would order the study made.

City council is seeking a 12 1/2 per cent reduction in rates and the company has appealed to the commission, contending that the city's proposal would not permit it to earn a reasonable profit.

REPUBLIC STEEL WORKERS WIELD CLUBS, ROCKS

Concentrating at the gate of the Republic steel plant in Massillon, Ohio, workers on strike armed themselves with clubs and rocks. Charging that the mills "are loaded with guns," Philip Murray of Pittsburgh, head of the Steel Workers Organizing Committee, permitted the action after the company, second largest independent producer, refused to sign an agreement with the C. I. O. steel union.

CIO Prepares To Extend Strike As Riot Scare Cancels Meeting

Canton Mayor Calls Off Assembly To Prevent Outbreak of Violence.

CANTON, O., May 27.—A meeting scheduled at the city auditorium today to determine whether employees of the Republic Steel corporation plant "shall strike or work" was called off unexpectedly to prevent city officials said, what threatened to be a riot between CIO members and workers opposed to the strike.

Mayor James S. Connelley said the meeting was cancelled to "prevent peace and prevent a riot."

Police said workers, affiliated with the C. I. O., had spotted pickets around the auditorium to prevent the meeting.

Frank A. Hardisty, sub-regional director of the Committee for Industrial Organization, called the mayor's office and warned he would decline to assume the responsibility if trouble occurred.

Hardisty, opposed to the proposed "work or strike" vote, said the CIO would be willing to abide by labor board only.

The meeting was called by a committee of Republic employees headed by Frank Gely, a former leader in the old employers' representative plan of the corporation. Company officials said that 2,300 employees were still working at the steel division plant in Canton. CIO officials, however, declared less than 300 were in the plant, including plant police.

Employees of the Union Drawn Steel company and one local of the Republic steel plants at Massillon were scheduled to meet at the city hall auditorium in Massillon later in the day.

Employees declined to say for what purpose the meeting was called.

Pickets continued active at Massillon plants but no disturbances were reported.

A shotgun charge brought the first major casualty in the Canton strike area.

Police Sergeant John McDonald filed a charge of shooting with intent to wound against Frank Kurchov, 29, whom the officer described as a Republic Steel corporation guard at the strike-closed Berger Manufacturing company plant.

Employees of the Union Drawn Steel company and one local of the Republic steel plants at Massillon were scheduled to meet at the city hall auditorium in Massillon later in the day.

Employees declined to say for what purpose the meeting was called.

Pickets continued active at Massillon plants but no disturbances were reported.

Middle West Steel Strike At a Glance

70,000 Steel Workers Idle as Five-State Strike Closes Plants.

YOUNGSTOWN, O.—Steel Workers Organizing Committee strikes against Republic Steel, Youngstown Sheet & Tube and Inland Steel at plants in Ohio, Indiana, Pennsylvania and New York to enforce demands for signed contract. Estimated total idle nearly 70,000. Republic and Inland & Tube plants close in Ohio's Mahoning valley, affecting 32,000 workers.

CHICAGO—Twenty pickets arrested at Republic's south Chicago plant and S. W. O. district director, Inland and Sheet & Tube plants halt operations, about 22,000 idle. Republic picketed but continues work.

CANTON, O.—Company guard charged with shooting foreman as 8,000 Republic employees continued strike, which started day earlier, in Canton-Massillon area.

BIRMINGHAM, Ala.—S. W. O. C. leaders met to consider extension of strike to southern area in which several Republic plants are centered.

HUFFALO, N. Y.—C. I. O. representative claimed he was pelted by police as pickets surround Republic's south Buffalo plant and workers mass meeting called.

CLEVELAND, O.—Three of Republic's four Cleveland units closed, fourth plants to resume regular operations after being dark for

National and Bethlehem Corporations Cited for Union Drive

By The Associated Press

PITTSBURGH, May 27.—The National Steel Corp. and the Bethlehem Steel Corp., employing between them 197,000 men—will be the last major steel producers against which the Steel Workers Organizing Committee will concentrate its drive for signed collective bargaining contracts.

Leaders at union headquarters made this statement today while Philip Murray, chairman of the steel forces of John L. Lewis Committee for Industrial Organization, directed the largest strike since the start of the steel campaign last June.

Murray declined to discuss his plans and gave all of his attention to the strike against Youngstown Sheet & Tube, Republic and Inland steel.

But some of his lieutenants said he was awaiting the outcome of the "present" strike to determine the strategy of his drive against Bethlehem and National.

One factor in any future move Murray makes against these two companies, union leaders said, will be the outcome of complaints made against them with the National Labor Relations Board.

The union has charged both companies with interference in its organization activities.

Bethlehem, with 85,000 employees, is the largest steel company independent of the United States Steel Corp. National employs about 22,000 men.

Republic Plants Confine Operations

CHICAGO, May 27.—The Republic Steel corporation kept its South Chicago plant in operation today despite a strike that halted work at two other large independent plants in the Chicago area.

Employees of pickets in the mill area were ordered, although more than a score were arrested last night on charges of unlawful assembly.

Supervising Police Captain James J. Mooney said picket lines would have to form at least a block and a half from the company grounds. Police encountered no difficulty dispersing 100 pickets near the main entrance to the plant.

One hundred fifty employees were admitted for work this morning, Mooney said. Police were stationed at a street car transfer corner to protect employees en route to the mill.

Approximately 25,000 workers of the Chicago area were affected by

SHUTE FINISHES EVEN WITH DUDLEY IN PGA

Closing 36 Hally 2 of the Defending Champion, Fred Two Leaders.

By The Associated Press

PITTSBURGH, Pa., May 27.—Denny Shute, defending champion from Boston, put on a thrilling rally this morning to finish all-square with Ed Dudley, Philadelphia, after the first 18 holes of their third round 36-hole battle in the Professional Golfers' association championship. Both scored high with 75.

Shute was two down at the quarter hole and didn't catch Ed until the home hole. There he rolled in a 14-footer for a birdie 3 after having laid an approach dead for a birdie 4 on 15.

Paul Runyan, White Plains, N. Y., was two up on Jimmy Hines, Garden City, N. Y.

ROCKEFELLER BURIED AFTER SHORT SERVICE

Body of Aged Financier Laid To Rest in Clevel.

CLEVELAND, May 27.—John D. Rockefeller was buried today, between the graves of his wife and his mother after a short ceremony in Lake View cemetery.

The body of the aged financier arrived today escorted by relatives and members of his household, and was taken almost immediately to the cemetery, not far from the Forest Hill estate where Rockefeller lived for many years.

The funeral party came in special cars from Tarrytown, N. Y., where funeral services were held yesterday.

Rev. Willard S. Richardson of New York college classmate of John D. Rockefeller Jr., officiated.

A short funeral procession from the East Cleveland railroad station, through the Forest Hill estate which Rockefeller left in 1927, preceded the burial.

Funeral services were held in the Forest Hill estate which Rockefeller left in 1927, preceded the burial.

Funeral services were held in the Forest Hill estate which Rockefeller left in 1927, preceded the burial.

OHIO WESLEYAN STUDENTS TAKE OVER STAR OFFICE

News Laboratory Class at University With Staff of Fourteen; Pays First Visit to Marion.

Ohio Wesleyan Journalism students on their first visit to Marion, have had complete charge of the editorial department of The Star today. Fourteen members of the news laboratory class under the supervision of Professor Harry Wood, of the Ohio Wesleyan Journalism department, comprise today's staff of editors, reporters and copy editors.

Donald Dehman, Toledo, was editor-in-chief. Under him were Robert Gaudin, Dayton; telegraph editor and Fred Shippey, Delaware; city editor, Mary Gracely, and a society editor, Mary Gracely.

With Ed Taylor, Huntington, Ind., handling sports, the additional staff members were Betty Minor, Arlington, Va.; Janet Spiker, Fort Thomas, Ky.; Don Purkiss, Huntington, Ind.; Evelyn Long, Danvers, Mo.; George Sturges, Cleveland; Dick Weir, Ashland; William Mesick, Cincinnati; Helen Harlock, Lakewood; and Betty Lerch, Elyria.

Previous to today, the students have edited one issue of the Delaware Gazette, Coonhook Tribune, Zanesville Times-Recorder, Urbana Citizen and Troy Daily News. In years before, Portsmouth and Findlay newspapers have also been edited by the class.

70,000 REMAIN IDLE BY ORDER OF CIO LEADER

Union Drive Affects Republic, Inland, Youngstown Sheet & Tube Plants.

47,000 WORKLESS IN OHIO

Special Police Force Mobilized For Possible Outbreak of Violence.

YOUNGSTOWN, O., May 27.—An orderly strike of more than 10,000 workers called by the Committee for Industrial Organization to enforce its demand for bargaining contracts—crippled steel operations today in five states.

Fires were banked in great furnaces that had been operating for weeks at the highest production rate since 1920. Smoke billowed down from the blast furnaces in a story of Great Lakes prosperity unequalled since the depression.

In Ohio's Mahoning valley 32,000 workers were idle, and the Steel Workers Organizing Committee claimed a "100 per cent tie-up" of plants of Republic Steel Corp. and Youngstown Sheet & Tube Co., vast independent steel producers, which have expressed willingness to bargain with the C. I. O. atiliate but have insisted signing of a contract would lead to a clearer shop.

In the Chicago area, where 25,000 were affected, the strike order from AWOC's chairman Philip Murray shut down plants of the Inland Steel Co.—a third of the three independents against which AWOC was aiming in its current campaign for the organizing effort John L. Lewis started with the signing of a contract by plant U. S. Steel Corp.

Forty thousand more men were idle in Ohio plants outside the Mahoning valley.

Republic spokesman said power of the mills were operating, but union leaders countered will claim that only a few men remained in the plants in the Buffalo area. C. I. O. leaders claim a two-thirds shutdown; the companies said most men were working.

The first test of the strike's effectiveness came at 11 o'clock last night, when the shift change. The second test was at 7 a. m. today, when for another shift change. At both times only minor skirmishes occurred at most places.

Republic plants, including those in Ohio, were operating, but union leaders countered will claim that only a few men remained in the plants in the Buffalo area. C. I. O. leaders claim a two-thirds shutdown; the companies said most men were working.

Of the three firms whose production represents approximately 75 per cent of the industry's total output, only Republic—second largest producer—attempted to operate.

Republic attempted operations at its South Chicago plant, but at the concern's Cleveland and Buffalo operations would continue unless picketing was heavy enough to make it unsafe for those who want to work.

Scattered reports of minor disturbances occurred after Philip Murray, 59-year-old S. W. O. C. chief, announced the decision to strike following a three-hour conference with subsidiaries in Youngstown central auditorium.

At Canton, where one of eight Republic units continued to operate

CORN PRICES SOAR AS SHORTAGE NEARS

1937 Crop Feared Too Small To Meet U. S. Consumer Requirements.

CHICAGO, May 27.—Corn prices soared four cents a bushel today, the limit allowed by trading rules when reports were circulated that the 1937 crop was "virtually exhausted" with little prospect of grain being obtained to fill needs of trade contracts.

The market seemed strong and the price rise came during mid-morning trading. Reports widely circulated indicated the supply of 1937 corn available for contract delivery had been almost entirely used up and contained warnings there would be practically none available for September contracts.

The reports also told the trade there were indications the 1937 corn crop was yet unknown would fail to meet the United States summer requirements.

The frantic rush to buy futures contracts shot July corn to a high of 11.13 1/4. The December was up the least, reaching 10.75.

"POPPY DAY" IS PROCLAIMED

Mayor Sets Aside Day To Honor Vets, Also Buys First Flower Here.

Saturday was designated as poppy day in Marion by a proclamation issued today by Mayor Smith. To Mayor Smith also goes the honor of having today purchased the first flower to be sold in Marion in the 1937 poppy day campaign. The proclamation follows:

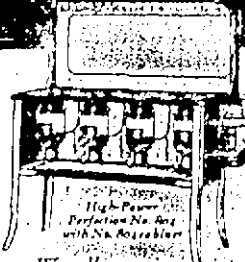

"The city of Marion responded with highest patriotism to our nation's call for defenders in 1917 and 1918, sending many of its young men into the fighting forces. Of these men, many sacrificed their lives in the nation's service, along with more than 100,000 other Americans to bring a victorious peace."

"It is fitting that the service and sacrifice of these gallant young men should be commemorated annually by appropriate public observance. As the poppy, which grew on the battlefields where so many of them fell, has become their memorial flower, there could be no more appropriate observance."

than a general wearing of the poppy in their honor.

Therefore, I do hereby proclaim Saturday, May 29, as poppy day in the city of Marion, and urge all citizens to show remembrance of the honor for the men of the city and of the nation who gave their lives in World War service by wearing poppies on that day.

The poppy day this year as in former years, is being sponsored by the Women's auxiliary to Bird-McGinnis Post No. 162 of the American Legion. Volunteer workers from the auxiliary will distribute flowers in the business section of the city Saturday and receive voluntary contributions for their welfare work in the families of the less fortunate World War veterans in Marion.

CALEDONIA GROUP MEETS IN MARION

Friendship Circle Entertained by Mrs. Belle Hinker.

Special to The Star.

CALEDONIA, May 27.—Mrs. Belle Hinker, Mrs. Florence Guy and Miss Mary Cull entertained the Caledonia Friendship Circle Tuesday afternoon at the home of Mrs. Hinker on East Church street in Marion. Eighteen members responded to roll call with their favorite flowers. Mrs. Elizabeth Lindsey, Mrs. Claude Birch, Mrs. Mildred Uih, Mrs. Gladys Caledonia, Dorothy Guy, Jannette Fields, Caroline Uih and Roy Fields were guests present. One new member, Mrs. Birch, was added to the roll. How favorite hymns were written was studied and the writing of "Rock of Ages" was reviewed by Mrs. Mary Lyon. A poem, "Memorial Day," was read by Miss Laura Garber. Mrs. Arthur Warner read a poem, "Rock and Bouquet." Mrs. Mary Lyon and Mrs. Marie Measmore won contest honors and Mrs. Belle Hinker won the guessing box. The names of Miss Florence Busch, Miss Loretta Busch and Mrs. Lillie Steele were drawn for hostesses for the June meeting to be held at the Busch home.

The annual banquet of the Caledonia Alumni association will be held Saturday night, May 28, at the high school auditorium. Four hundred and fifteen invitations have been sent. A short program will start at 8 p. m. after which lunch will be served. Various amusements are scheduled for the remainder of the evening. Officers of the association are: Chester Pommeroy, president; Mrs. Evelyn Sellers, vice president; Wanda Goddard, secretary and Jimmy Walker, treasurer.

GOMPFF REUNION HELD AT LARUE

Mr. and Mrs. E. M. Reed of Martel were Sunday dinner guests of Mr. and Mrs. Wesley Reed at Caledonia.

Miss Ruth Hickman and brother spent Saturday in Marion.

Hoot Gibson To Be Host To Children At Circus

HOOT GIBSON

The circus is coming—in addition to Monday being observed as a holiday, Memorial day, it will be circus day at Marion.

The children of the Marion County Children's home will attend the matinee performance of the Wallace Brothers Circus as the special guests of Hoot Gibson. Elmer L. Barkley, superintendent of the home announced today he had accepted an invitation in behalf of the children which was extended by the famous western screen star.

Hoot Gibson will be seen in person with the circus, which will present two performances in Marion, Monday, May 31.

Fate led the then unknown "cowhand" to the movie lots of Hollywood when he was a mere lad of 16, and he found employment as a double for the leading action stars of the time such as Henry B. Walthall, Helen Holmes, and many others.

Leaping over cliffs, crashing into walls of buildings while driving an automobile, shaking into burning buildings and other such exciting pastimes were all in the day's work to Hoot—and he revelled in the excitement of it.

His strenuous life making western thrillers does not offer enough excitement for Hoot so he has taken time off to indulge in such pastimes as competing in rodeos and trying aviation. This latter sport almost cost him his life several years ago when he

crashed up while competing in the National Air Races at Mines Field, California.

Esperville News

ESPERVILLE—Mrs. Howard Jensen spent Sunday with Mrs. E. A. Davis of Marion.

Mr. and Mrs. George Tobey were Sunday guests of Mr. and Mrs. George Brown of Marion.

Mr. and Mrs. William Carman and sons Howard and Gene, and granddaughter Lucille, desert of near McCutney were Sunday visitors at the home of Mr. and Mrs. Frank Burris.

Mrs. Russell Cottrell, Betty and Dickie Smith of Marion, spent Thursday evening at the C. J. Smith home.

Miss Wilma Shultz of Marion spent Sunday afternoon at the Oliver Daniels home.

Mr. and Mrs. Homer Fritz, and Mr. and Mrs. Emanuel Hecker and grandson, were Sunday dinner guests of Frank Selter of near Nekeer.

Mrs. Gerry Bombarger spent Tuesday afternoon with Mrs. Cora Brown of Marion.

Mr. and Mrs. Frank Beckley and son Francis and Mrs. Floyd Ware and daughter Phyllis Jean returned to their home in Huntington, Ind., after spending two weeks with their parents Mr. and Mrs. C. J. Smith.

Mr. and Mrs. Charley Henery of Marion spent Sunday with Mrs. Amanda Haller.

Electrically operated pumping units have been invented to take the place of oil well derricks.

In Ohio History

(From the J. H. Galsbreath collection of Ohio history, written for The Associated Press.)

PIONEER LOGAN COUNTY

In 1824 John Prater and his wife, Mary, settled in Logan county about two miles north of Rush Creek. Prater started to build a cabin and before it was completed the pair occupied it. There was no floor, no doors or windows and protection from the weather was obtained by hanging blankets over the openings.

A spring some rods from the cabin was the source of their water and in making a trip to the spring Prater saw a wolf cross the path only a few yards from him, but it did not attack. That night, however, a bear came to the cabin and made off with a pig.

Deer were in abundance and in the course of one year Prater killed 24 at a pond nearby.

A new sink strainer has a hinged cover that can be turned backward to catch drippings when the strainer is removed from a sink for emptying.

An elastic and knickless telephone cord has been invented that shorts and itself when not in use.

FALSE TEETH

"Stay Put" Says Druggist

With my gums gradually shrinking, I had difficulty keeping my plate in position with various false teeth. Now I use FALSE TEETH and what a difference. Now my plate for 15 years stays with absolute security and I feel comfortable. I never had before. Ask for FALSE TEETH at any good drug store.—ACT.

Lose Unsightly FAT! Quickly Safely with WATE-OFF

Drugs Preparation for Scientific Weight Reducing

WATE-OFF is a compound of pure vegetable matter. WATE-OFF contains no dangerous drugs or any kind of diuretic, phenol, no salts or other harmful substances. There is absolutely nothing in WATE-OFF that can do you the slightest harm. Many users report that after taking WATE-OFF for a few short days they actually feel better than they have in years. WATE-OFF makes it possible for overweight women, men, too, to take off five pounds a week or even more without strenuous exercising and without starvation diets. In fact, as you take off weight with WATE-OFF, you not only LOOK better, but you actually FEEL better.

The instructions say: Take WATE-OFF before meals, 3 or 4 tablets a day. When you are hungry all day, say: "Results are simply amazing!" Unhappily a fresh frequently makes the skin sag or wrinkle as so frequently happens with fast-acting but dangerous drug reducers.

You have seen WATE-OFF advertised in Pictorial Review, Physical Culture and other leading magazines. At \$2.45 here, now is your opportunity to purchase this same preparation for only \$1.19, with our guarantee that if you're not satisfied with results, you may return the empty carton and we will return your money.

SIGNS LABOR ACT

Gov. Lehman of New York is
shown signing the "Little Wagner
Labor Act" at Albany, designed
to promote equality of bargaining
power between employer and em-
ployee. The bill is the Doyle-
Neustein act creating a three-
member labor relations board.

ROBERT GASSAWAY,
HARRY MANLEY WIN

Marble Championships To Be Con-
tinued This Afternoon.

Rain called a temporary halt to
the city grade school boys' marble
championship matches yesterday.
Harry Manley and Robert Gass-
away, representing North Main and
Pearl street schools, won out in
the two upper brackets before rain
forced cessation of activities.

Sam Maynard, representing Oak
Street school, and Lester Russell
of Mark were eliminated by young
Manley, who had seven marbles.
Gassaway defeated Fred Ruhl and
Joseph McKnight of Forest Lawn
and Silver Street schools, respec-
tively, with six marbles to his
credit.

Today at 4 p.m. the remaining
first round matches will be played
at Central junior high school ath-
letic field, with Harold Coen of
Greenwood pitted against James
Midham of Olney. In the remain-
ing match Dean Whaley, Oakland,
Robert Boyd of George Washing-
ton, and Wayne Carter, Greenwood,
will tangle.

The tournament is being spon-
sored by the Y. M. C. A., under the
direct supervision of Clarence
Lenz, boys' secretary.

LIBRARIAN RESIGNS FROM FREMONT POST

Grandson of President Hayes An-
nounces Appointment.

By The Associated Press
FREMONT, O., May 27.—The
resignation of Mrs. Warren A.
Zink for 11 years librarian of
the Hayes memorial museum here,
was announced today by Com-
mander Webb C. Hayes 2nd, grand-
son of the late President Ruther-
ford B. Hayes. Mrs. Zink will be
succeeded June 1 by Mrs. Clayton
Reiser, assistant librarian. Hayes
said museum directors were con-
sidering appointment of a research
director for the institution.

Argentina contains deposits of
borax ore that have been mined
for 25 years that are estimated to
contain from five to 10 million
metric tons.

AFL TO FIGHT PAY, HOUR BILL

Green Indicates Divided Sentiment on Hours and Child Labor Provisions.

CINCINNATI, O., May 27.—American Federation of Labor, opposition to the administration wage and hour bill appeared today in the light of sentiment expressed privately by federation chiefs.

William Green, A. F. of L. president, expects the federation's executive council, to declare its stand on the measure before the end of its current meeting. Sentiment on the hours and child labor provisions was divided. Some of the more conservative leaders oppose federal regulation of hours, even though the federation is on record for the Black-Connery 30-hour week bill. Green, among others, expressed doubt as to the wisdom of a child labor bill, saying that its enactment might hurt the chances of the child labor amendment. Arthur Wharton, president of the machinists' union and ordinarily a staunch defender of organization by craft, announced he would back an industrial union charter to the Chevrolet truck body workers in Indianapolis.

This move signaled the start of a new A. F. of L. invasion of the automobile industry. Whether this campaign would be left to Wharton was not made clear. Green said he did not know anything about the new charter.

SEARCH FOR BANDITS SPREADS IN INDIANA

G-Men Join Man Hunt for Brady Bandits; Seize Wide Area.

INDIANAPOLIS, May 27.—The search for the slippery Brady bandits continued yesterday over a wide area today, but the clearest of the members of the gang.

A special squad of federal officers, working under orders from Washington, joined the manhunt for Al Brady, Clarence Lee Shaffer, Jr., and James Dolbow, believed to be the robbers who escaped with \$25,000 from a Goodland bank and shot two Indiana officers Tuesday.

State police Captain Matt Leach said he was convinced the men were in a hideout and would remain there until the excitement of the chase had subsided.

At Logansport, Paul Minneman, 33-year-old state policeman, shot from ambush by the bandits, clung courageously to life, but physicians held out little hope for recovery. The condition of the other adult victim, Deputy Sheriff Elmer Criswell, of Cass county, greatly improved.

NATIONAL BETHLEHEM PLANTS CITED BY CIO

(Continued from Page One)

The strike called by the Steel Workers Organizing Committee, a Committee for Industrial Organization, union, Republic employees 3,500; Inland Steel Company, 12,500; and Youngstown Sheet and Tube corporation 10,000.

Three Pittsburgh plants remain open.

By The Associated Press.

PITTSBURGH, May 27.—Three plants of the Republic Steel Corp. were operating today in the Pittsburgh district despite a call for strikes from the Steel Workers Organizing Committee.

Three hundred men went to work "as usual" at the Pittsburgh-Porter division in Pittsburgh, General Manager B. F. Handloser reported. The plant manufactures railroad tie plates and railroad spikes.

Another 200 were at work in the Union Drawn Steel Co. works at Beaver Falls, Pa., a few miles north of Pittsburgh. An executive, who declined to be named, said the men would remain on the job unless there was outside interference.

At Cumberland, Md., executives of the Taylor mill said the full force of 400 were at work. They said only a shortage of supplies would force a shutdown.

DIRECTOR PRAISES NYA SCHOOL PLAN

Marion County To Spend \$37,500 For New School Buildings.

Dr. E. J. Bowsher, state director of education, highly praised today WPA's \$15,000,000 program to help construction on Ohio schools and to eliminate unsanitary and hazardous conditions in the schools.

The allotted expenditure for Marion County will be \$37,500. Necessary for this "sort of" was emphasized by Director Bowsher, who closed that Ohio leads the nation in the number of schools closed as hazardous.

During the first 2 months of its existence, WPA has constructed or has under construction 47 new buildings and has repaired or improved 1,350 buildings. Of the \$15,000,000 total expenditure, local communities contributed \$2,500,000.

At Had, it not been for the assistance from the federal government, many Ohio schools would have been forced to close on account of hazardous and unsanitary conditions, Director Bowsher declared.

Expenditures for surrounding counties are: Hardin, \$19,707; Crawford, \$20,017; Delaware, \$28,689; Morrow, \$7,531; Union, \$12,554; and Wyandot, \$12,000.

The hearing of 40 persons can be held at the same time with a new device.

SHOT BY ROBBER

Paul V. Minneman (above), 31, Indiana state policeman, shot and wounded by four men who shortly before had robbed the Goodland, Ind., State bank of \$25,000. Minneman was wounded in one foot. Physicians said Minneman had little chance of recovery. (Associated Press Photo.)

S.W.O.C. STRIKE HITS INDEPENDENT PLANTS

(Continued from Page One)

ate, a shotgun charge felled Franklin P. Manly, 32, foreman at the subsidiary Berger Co. wounding him in both hands and both thighs as he fled, he said, from strike pickets.

More than a score of brawny mill workers were arrested, including S. W. O. C. District Director John P. Rife, on charges of unlawful assembly when police forced a jeering throng from Republic's south Chicago plant. A force of 500 policemen was mobilized and held in readiness.

Leonard Ross, C. I. O. textile organizer, reported he was hit over the head as he stood in a crowd watching the south Buffalo picket line. C. I. O. leaders called a meeting of workers to instruct them in strike technique.

Three Republic workers complained to Sheriff Roy Hardman at Warren, O., in this Mahoning valley district, that they were being harassed by uniformed company police when they sought to leave their jobs.

The men, C. I. O. Hyland of New Long Falls, Harold Williams of Niles and Kenneth Montgomery of Warren, exhibited bruises and lacerations on their heads and faces and said company policemen insisted they remain inside the plant. C. I. O. leaders said they would file charges against the individual policemen.

Executives at two Pittsburgh district plants of Republic said they expected their workers to continue at their jobs.

Strike Order Read by Murray.

The strike order against the three concerns was read by Murray, emerging from a hot room in Youngstown's auditorium after the conference, the alpha group steel leader gave the order effective at 11 o'clock last night, declaring: "All of the mechanics have been created to take care of the situation in accordance with custom. The necessary maintenance men will be furnished each company by local lodges and committees. It is the purpose of our organization to conduct the strike peacefully."

The Birmingham, Ala., steel plant, the Birmingham, Ala., steel plant, exempted from the original strike order, but Murray said S. W. O. C. leaders would meet there today to consider action. In the locality where Republic's southern activity is centered, the shutdown is complete.

The shutdown is complete in all plants in the Mahoning valley area. J. Don Mayo, sub-regional S. W. O. C. director, declared at Youngstown: "Only a few maintenance men remaining in the plants to care for machinery."

Warren Workers Evacuated.

Strike leaders declared "all but a few" of the 6,000 workers at Republic's Warren, O., mill emerged at the "zero hour." In Canton, O., where the strike first started, some 5,000 were idle.

A number of the large independent mills remained in operation. A spokesman said Republic had sufficient men inside its South Chicago plant to continue operations in all departments and other accommodations were prepared in the plant.

The Steel & Tube, Corligan and Union units were closed at Cleveland, along with Trucon, but a Republic spokesman said Trucon would be opened today. Executives of a Republic plant at Cumberland, Md., said the 400 employees there were not organized and that no trouble was expected.

An executive said the plant shift in the Union Drawn Steel Co. plant at Beaver Falls, Pa., continued at work.

Strong picket lines marched in front of Inland and Youngstown plants in Indiana Harbor but no disorder was reported as no attempt was made to bring in a night shift. Harry E. Roulfs, Inland's superintendent of personnel, said the corporation would not try to continue operations.

BOYS OF '76 FOUGHT FIRES DRESSED IN RED

(Continued from Page One)

hour duty on alternate days. They cook their own meals while on duty. During their day off they must report their whereabouts to headquarters, that's in case of a big fire.

The Neptune Fire Company and local subscriptions for their new equipment. To-day the city council appropriated funds for apparatus.

In 1907 all the members had a voice in running the company. They elected their officers by secret ballot. In 1937 the city council wrote the rules for Marion's paid firemen.

According to rules, to be observed at business meetings, the quorum time for calling the roll was established by a majority of the watches present. No member was allowed to speak more than twice on any question without permission of the meeting.

The roll was called twice, at the beginning and end of every meeting, except in case of fire. A member failing to answer either roll call was fined five cents. No member was allowed to vote who was in arrears with dues which consisted of twenty-five cents initiation fee and five cents monthly. A member behind six months in dues was expelled from the organization.

Life membership granted to volunteers who applied for it. After five years of loyal service, exempted. A man from all the duties of active membership.

In 1867 it cost a member of the firefighting squad absent from a fire without sufficient reason fifty cents.

WOMEN'S AUXILIARY MEETS

The Women's Auxiliary Chapter 22 of the Disabled American Veterans of the World War will meet tonight in the veterans' room at the armory. Mrs. Minnie Bowen, commander, will preside for a short business session. The social hour will be in charge of Mrs. Margaret Morrison, chairman, and her committee.

Made of red United States flag material, a collar, has been invented to be sewed on the end of a flashlight to make a signaling wand for traffic policemen.

DELAY ARRAIGNMENT IN "NUMBERS" CASE

Attorney, Prosecutor Unable To Continue for at Least a Week.

Arraignment of the 10 persons arrested in the police raid on the numbers racket April 25 will be delayed for at least 10 days, it appeared today.

Paul Smith, attorney for the defendants, said he will be busy today and tomorrow, and City Solicitor Ralph E. Carhart, whose duty it will be to prosecute the cases, announced he will be out of the city on a vacation next week.

Delay may extend for an even longer period, for when the solicitor returns to the city, he will turn his full attention to the Marion water rate hearing to be resumed in Columbus on June 8. It was previously announced the arraignments would probably take place late last week.

S. W. Trucon and Gus Weichold have been charged with operating the racket numbers headquarters while the other eight under arrest have been accused of frequently a gambling place. All ten are free on bond.

MIDDLE WEST STEEL STRIKE AT A GLANCE

(Continued from Page One)

night, two Republic plants shut at Elkhart, O., west of Cleveland.

The plants of the three independent steel producers included in the strike order issued by the Steel Workers Organizing Committee and employing more than 75,000 men were:

Plant	Employees
Republic Steel Corp., Chicago, Ill.	13,000
Youngstown Sheet & Tube Co., Youngstown, O.	11,000
Hubbard, O.	300
Indiana Harbor, Ind.	6,500
South Chicago, Ill.	2,000
Evansville, Ind.	500
Republic Steel Corp., Cleveland, O.	7,600

INSURGENTS RENEW ATTACK ON CAPITAL

By The Associated Press.

HENDAYE, Franco-Spanish Frontier, May 27.—Paving the way with a dawn raiding of Basque lines by field guns and airplanes, insurgent forces on the southern Bilbao front renewed fierce attacks today to close the Basque capital's "backdoor" to central and western Spain.

Insurgents were reported along the Nervion river and in the hills around Orduna, scene of a Carlist defeat in 1936, where insurgent Gen. Emilio Mola's present day Carlists struggled with allied units of his mechanized forces to choke beleaguered Bilbao.

The Orduna drive demonstrated Mola's strategy of swinging his operations from sector to sector on the Bilbao front, striking now in the south after a series of stinging attacks from on the north and east.

FORMER DEAN PLEADS INNOCENT TO CHARGE

Educator Held for Assault With Intent To Murder.

GREENFIELD, Mass., May 27.—White-haired Thomas E. Elder, one-time dean of Mount Hermon school for boys, pleaded innocent today in district court to assault with intent to commit murder and being armed with a dangerous weapon and was held in \$10,000 bond for hearing June 3.

The veteran educator and poultry authority was charged with threatening P. Allan Norton, former cashier at Mount Hermon. Tuesday night as Norton stepped from his garage.

Elder appeared calm as he took a chair in the prisoner's cage. He had spent the night in the Greenfield police station lockup.

Spectators seats in the low-ceilinged district court in the Franklin county courthouse were filled long before Judge Philip Ball appeared on the bench.

Brought here from his home at Alton, N. H., after waiving extradition, the educator contended he was 40 miles away in a Keene, N. H., hotel at the time Norton said he was threatened with a shotgun.

Mount Hermon school at Northfield, Mass., was closed three years ago of the unsolved slaying of its 15-year-old headmaster, Dr. Elliott Spear. He was killed almost instantly by a shotgun blast fired through his study window.

FIST FIGHTS AROUSE UAWA IN FORD PLANT

(Continued from Page One)

other mutual aid and protection.

The trouble broke out on an overhead bridge leading from the main plant to a street car loop. Four union organizers had gone to the bridge preparatory to distributing handbills for Ford employees at the change of shifts.

Organizers, Richard Skirrah, Richard T. Frankenstein, U. A. W. A. organization director, and Walter Reuther, president of the large west side local, were beaten, kicked and thrown down the stairs from the bridge. They said they had about 150 men were following about and 20 or 25 attacked each of them.

The unopposed eight other men and eight women, among the casualties. One man, Tony Marino, who said he had been a truck driver at Ford's for seven years, was taken to the University of Michigan hospital at Ann Arbor after Dr. Eugene Seibert said he might have a skull fracture.

There was some dispute over identity of the assailants. Harry Bennett, Ford personnel director, in charge of the company's police force, said they were workmen waiting to go to work, but the unionists said they recognized some as members of the Ford service department which polices the plant.

Assistant Prosecutor Martin Paulman took statements from a number of the beaten victims at the order of Prosecutor Duncan C. McGee. The prosecutor did not indicate whether he planned to seek warrants against any of the attackers.

Home, Martin, international president of the U. A. W. A. left El Paso, Texas, late yesterday for Detroit after learning of the disorder.

REV. ROOP GIVES GRADUATION TALK

State Honors Given To 12 of Graduating Class.

Rev. Carl Roop, United Brethren minister of this city, delivered the commencement address to 22 graduates of the grade school at Pleasant township Monday evening.

State honors went to 12 graduates of the class for placing in the upper fourth in state eighth grade tests. These honored were Walter Johnson, who ranked first in the county in the tests; Carl Selzer, third; Robert Vandethoff, fifth and Mary Ellen Mayers, seventh. Eight others received honorable mention.

Superintendent E. E. Manning presented the certificate and awards.

FORMER RESIDENT DIES

Word was received yesterday by Mrs. P. W. Fetter, Baker street, that her daughter-in-law, Mrs. Charles Fetter, died in San Diego, Calif. The cause was not given.

Mrs. Charles Fetter, formerly Pearl Overdorf, of this vicinity, is survived by her parents, Mr. and Mrs. Paul Overdorf of Waldo, two sisters and a brother.

Arrangements as to whether her body will be brought to Marion have not been made as yet.

SAYS "REDS" HIRED

The C.I.O. and the Communist Party were accused of "sleeping in the same bed and under the same tent," by John P. Frey (above), president of the metal trades department of the A. F. of L., in a fiery address before the executive council of the federation at Cincinnati. He said the C.I.O. had 60 communist organizers on its payroll.

ARMISTICE IN SPAIN BLOCKED BY RUSSIA

British Plan Accompanies Plea To "Humanize the War" in Spanish Strife.

LONDON, May 27.—A British plan for an armistice in Spain was virtually abandoned today.

The disclosure was made along with plans for a simple plea to both sides in the Spanish civil conflict to "humanize the war." This was put in first place on the agenda of the European non-intervention committee.

Previously, a truce to permit the withdrawal of all foreign fighters in Spain had been suggested by the British.

Soviet Russia's members of the committee yesterday blocked immediate dispatch of an appeal to Spain when the non-intervention body attempted to extend the note beyond a mere request to "Spanish arms to cease" the bombing of "open" towns.

A new draft of the note will be considered by the committee Friday for final action. It was understood the committee also wanted to ask the Spaniards to refrain from all aerial bombing. Soviet delegates objected.

The non-intervention committee, after sending the "humanization" note to Spain, is expected to consider a technical plan now in the hands of member governments for the withdrawal of volunteers without an armistice.

BUILDING LEAGUE HONORS PRICHARD

Marion Man Selected President of District Building Association.

D. R. Prichard of the Marion Federal Savings & Loan Association was elected president of the Ninth district of the Ohio Building Association league for the coming year, at the meeting held at the Wooster Country club, Wooster, yesterday.

Daniel C. Funk of Wooster, president of the district, presided at the meeting where 82 representatives of building and loan associations and guests heard reports from national, state and city officials of associations.

The statistics and data presented by the speakers showed substantial progress of the Ohio associations, according to Prichard.

Speakers Listed.

The speakers included Walter F. Herr of Columbus, president of the Ohio Building Association league; Morton Bodfish of Chicago, Ill., vice president of the United States Building & Loan league; Walter D. Shultz, president of the Federal Home Loan bank of Cincinnati; William Kieger of Columbus, superintendent of Ohio building and loan associations; Don L. Tobin of Columbus, director of publicly owned Ohio Building Association league; James Devitt

PITTSBURGH PASTOR CHOSEN CHURCH HEAD

Presbyterian Assembly Elects Dr. Robinson to Post of Moderator.

By The Associated Press.

CHICAGO, May 27.—The 20th annual meeting of the General Assembly of the United Presbyterian church today.

Dr. Robinson, who is pastor of the "Sixth" United Presbyterian church in Pittsburgh, was elected last night at the 72nd general assembly in suburban Oak Park, succeeded the Rev. Dr. Robert Thompson of Monmouth, Ill.

The only other candidates for the office was the Rev. C. C. Proudfit of Chicago, former pastor in Cambridge, Ohio, and a former secretary of the board of education of the church. Other officers were to be elected today.

LODGE TO MEET IN SUNRISE SERVICE

Marion Lodge No. 70, F. and M., will hold its annual sunrise service promptly at 4 o'clock Monday morning at which the Mason degree will be conferred upon one candidate.

Following the work there will be a brief memorial service for members who have died within the last year. Eulogies for the week will be read by Dr. Edwin T. Worling, pastor of Epworth E. church.

Rev. J. E. Carhart, grand chaplain of the Grand Lodge of Ohio will deliver the memorial address when the group places a wreath on the altar.

Proceeding the service at 10 o'clock, breakfast will be served to the ladies of the Lydia chapter, S. O. of Eastern Star.

All Masons are invited and large crowd from nearby lodges expected.

MCDONALD RESIGNS AS COUNCIL LEADER

By The Associated Press.

LONDON, May 27.—Ramsay MacDonald, three prime minister, offered his resignation today as Lord President of the Council during an audience with King George VI at Buckingham palace.

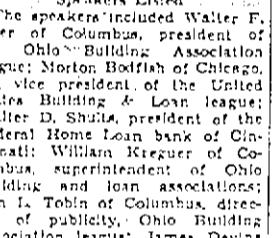

It was understood the white-haired elder statesman did not hand over his seal of office. This will be done in the general exchange of seals between outgoing and incoming ministers when a new cabinet is formed after the retirement this week of Prime Minister Stanley Baldwin.

The king was understood to have offered MacDonald a "high hereditary honor," presumably an earldom, but the ex-premier asked permission to decline.

Needlework... Romance

"But give me the fair one, in country or city,
Whose fame and its duties are dear to her heart,
Who cheerfully warbles some rustic ditty,
While plying the needle with exquisite art.
The bright little needle—the swift flying needle,
The needle directed by beauty and art."

—Samuel Woodworth, 19th century poet

WRESTLING LAST NIGHT

By The Associated Press
Worcester, Mass. — Dan D. Mahoney, 230, Ireland, and Tom Johnson, 250, Sweden, drew, 20 minutes, no fall, 25-25.

OKLAHOMA CITY—All Italia, 255, Detroit, defeated Doughhouse Jack McDonald, 125, Seattle (two straight falls).
LOS ANGELES—Vincent Lopez, 225, Los Angeles, defeated Hardy Krukenberg, 215, Ohio (two straight falls).

Commission, Y. M. C. A. to Sponsor Church Circuit

Under the joint sponsorship of the Y. M. C. A. and the Y. M. C. A. of Marion, the Y. M. C. A. will again have an intermediate softball league composed of six or eight teams representing local churches or Sunday schools.

Elmer Shaw, secretary of the commission, will meet with representatives of prospective teams next Tuesday night at 7:30 in the Y. M. C. A. building.

According to Shaw, it is hoped that a league of six or eight teams will be organized. The league will play its games on the Y. M. C. A. grounds.

Two rounds of competition will terminate the league around the first part of August. Plans are under way to schedule league games every Friday night.

Lee Street Presbyterian squad won the championship of last year's intermediate league. Other teams competing then were Children's Home, Wesley, Lutheran, Trinity and Forest Lawn.

The resignation of Don Perry, who was elected manager last winter, necessitated the meeting. Darnell led the team in its first game last week when the local squad defeated the Columbus Graven Drug team 17 to 2.

At the meeting last night practice sessions were scheduled for Friday nights on the Uncapher new diamond. Tentative arrangements are being made to schedule games for both Sunday and Monday for the Steam Shovel aggregation.

Bill Darnell, moundman, was elected manager of the Marion Steam Shovel A. A. baseball club last night at a reorganization meeting of the team at the home of H. R. Fetter on 300 Girard avenue.

YANKS END SLUMP, BEGIN TO STRETCH JUNIOR LOOP LEAD

Gomez Whitewashes Tigers as New Yorkers Win Sixth Straight Victory

BY SID FEDER
Associated Press Sports Writer

It seems the American league was only fooling after all.

For a while there, the junior circuit looked as though it was going to steal the National league's stuff and put on a race as close as one and two.

But the untimely and unfortunate accident to Mickey Cochrane, and the big stick as now wielded by the New York Yankees, murderers now make it appear that things are pointing toward somewhat of a repetition of last summer's wait for Gehrig and company.

Certainly Detroit's pennant possibilities, as good as any team's a week ago, have come close to being washed up since Cochrane's accident.

And now, with the Yankees definitely over their worst slump in two years, and widening their American league lead daily in recent days, the rest of the circuit probably will have to call out the national guard to stop the "awful" team from repeating the slaughter.

Just as suddenly as they landed in their slump at the start of the season, the Yankees have snatched out of it in the past week. They now boast a winning streak of six which they stretched to that six yesterday in blanketing the Cincinnati Reds 10 to 0.

Lefty Gomez was the lad who applied the whitewash brush yesterday, as George Selkirk socked his eighth homer. The victory boosted the Yankees' American league lead to three full games, and dropped the Tigers to fourth place.

Cincinnati's Indians rallied with a four-run spree in the fifth to top the mystifying Athletics 8-6, a victory which shot the Tribe from fourth to second and lowered the A's to third. Featuring the battle were pinch hitters by Bruce Campbell and Billy Sullivan.

On a western rampage, New York's Giants ranged up on Al Hollingsworth in the first five innings to beat the Reds 6-3 and pull up to a game and a half of the National league pace today.

The Pittsburgh Pirates, who slithered with the Dodgers, were rained out. The Cardinals held onto third place with a 6-4 win over the Boston Bees on the strength of Johnny Mize's three-run homer in the ninth.

Lefty Lonaster, the Phillies' pitching find, fanned ten and hand-cuffed the Chicago Cubs with three hits for a 6-1 win, his fourth of the year.

The Chicago White Sox rallied for three runs in the ninth and noted out the Senators 6-5. The Boston Red Sox finished on top 11-0 in a knock-out, drag-out brawl with the Braves.

MAJOR LEAGUE LEADERS
BATTING—Cochrane, Yankees, .311; Selkirk, Yankees, .297; Greenberg and Gehrig, Yankees, .296; Rube, Yankees, .289; White Sox, and Greenberg, Tigers, .266.

Home runs—Selkirk, Yankees, 5; Rube, Yankees, 4; Stolen bases—Spring White Sox, 7; Chapman, Senators, 4; Kiers, and Patek, Indians, 6 each.

Pitching—Pearson, Yankees, 1-0; Huddell, Indians, 2-0.

NATIONAL LEAGUE
BATTING—Medwick, Cardinals, .310; Haselett, Dodgers, .297; Rube, Cardinals, .296; Galen, Cubs, and Bartel, Giants, .266 each.

Home runs—Medwick, Cardinals, 3; Rube, Cardinals, 2; Stolen bases—Spring White Sox, 7; Chapman, Senators, 4; Kiers, and Patek, Indians, 6 each.

Pitching—Pearson, Yankees, 1-0; Huddell, Indians, 2-0.

MICKY COCHRANE IMPROVING, REPORTS YANKEES' PHYSICIAN

Manager's Mind Still With His Team: Physicians Expect Crisis in 24 Hours.

By the Associated Press. NEW YORK, May 17.—An official bulletin said today that Micky Cochrane, manager of the Detroit Tigers who was struck on the head by a pitched ball Tuesday, had passed "a good night" and that his condition "had improved."

Some one had told Micky the Tigers had lost to the Yankees. "We lost today," he whispered. "Very bad," he asked. His wife told him no and he seemed relieved. Actually the Tigers were beaten by the Yankees, 7-0. Doctors said his team's defeat had no effect.

The bulletin said "plans of a cerebral concussion have diminished. The possibility of infection and secondary meningitis is still present."

REMOVED TO HOME

Merton Watson was removed to his home at 1313 N. State street Monday from City hospital where he underwent an operation for appendix and hernia. His condition is good.

YESTERDAY'S STARS

By The Associated Press. CINCINNATI, May 17.—Dusted off again at the low end of a 6-2 score, the Cincinnati Reds and Lefty Lee Grissom to the mound today for the rubber game of their series with New York.

The easterners just one and one-half games from a tie and one-half game from a first place put their trust in Hal Schumacher. Yesterday's game, witnessed by only 2,682 paid customers, found the Reds welding bats of attack against Clyde Castelman and Cliff Letton. Castelman, although spotted to a six-run lead was yanked in the seventh after the eighth-place Cincinnati began to find his range.

The Giants got to Al Hollingsworth for 12 blows in seven frames but were held hitless by Paul Derringer in the last two.

REDS PIT GRISSOM AGAINST N. Y. TODAY

Firestone TIRES

GIVE YOU GREATER PROTECTION AGAINST SKIDDING AND BLOWOUTS

YOU will know the minute you see this tire why car owners everywhere call it the greatest tire ever made to sell at these low prices. The deeper, wider, flatter non-skid tread made of tough, long wearing rubber will give you protection against dangerous skidding.

But tires cannot be judged on tread alone. Under the tread of Firestone Standard Tires are two extra layers of Gum-Dipped cords. This Firestone patented construction feature binds the tread and cord body into one inseparable unit. Every cotton fiber in every cord in every ply is saturated and coated with pure liquid rubber which counteracts the internal friction and heat that ordinarily destroy tire life. This Firestone patented process of Gum-Dipping

gives greater protection against blowouts and is used only in Firestone Tires. Come in and join the Firestone Save A Life Campaign today by equipping your car with a set of new Firestone Gum-Dipped Tires.

YOU SAVE \$8.15 on low initial cost. YOU SAVE because Firestone tires are made of tough, long wearing rubber. YOU SAVE because Firestone tires are made of tough, long wearing rubber.

GRANGE COMMITTEES
WILL HOLD MEETING

Home Economics Groups of Four Counties Will Meet at Grand Prairie June 2.

Plans for a four-county meeting for the home economics committees of the granges in Marion, Wyandot, Crawford and Hardin counties and for the annual grange memorial services were announced at a meeting of Grand Prairie grange Tuesday night at the Grand Prairie school.

The home economics meeting will be held June 2 at the Grand Prairie school and will be an all-day session starting at 9:30 a. m. All grange women interested will be welcome, although the session is arranged primarily for the home economics committees.

Mrs. Lottie Randolph of Columbus, in charge of grange home economics work in this district, will be in charge of the meeting. The program will include a canning demonstration.

County grange memorial services will be held Sunday afternoon at Lehigh High school. The Grand Prairie grange named Mrs. L. A. Williams and Mrs. C. M. Peterson to represent the Grand Prairie grange at the services.

The resignation of Mrs. F. D. Hinman as juvenile matron was accepted.

Plans for a fathers' day program will be delivered.

ONLY 99 CENTS

Limit 3 to a Customer

To introduce WELL PREPARED, TION, a brand old remedy, and prove its value for treating stomach, liver, circulation and arthritis, we offer the family size (3 1/2 oz. two weeks treatment) for only 99c. WANTS TO BE BUSY

If the Florida state legislature decides to name a state executive, Harry A. Hays (above), 50-year-old retired war veteran and former yacht master of Miami, would like the job. It would give him something to occupy his mind, he said.

In a program that followed the business session, readings were given by Mrs. Charles Hinman, Mrs. L. W. Hinman and George Peterson. Richard Grace of Marion furnished guitar and harmonica music. Miss Mary Barker played a violin solo, accompanied by Mary Grace. Ellen Davidson, Olive Young, accompanied by Mrs. Young, played harmonica numbers.

WYANDOT AND MEETS WYANDOT, May 27.—The Ladies' Aid society of the Methodist church met at the home of Mrs. C. E. Martin, Wednesday. The president, Mrs. Alice Howe was in charge of the business meeting and the devotionals were led by Rev. Grant. The society decided to have an ice cream and strawberry social some time in June. The guests were Mrs. Glen Lust and daughter Ada of Mt. Zion and Rev. and Mrs. Grant of Harper.
